**Matters arising:**

**Traffic/roads:** Passing places have now been completed and some potholes have been filled in.

**Village trees/Jubilee Tree:**

RF has contacted Highways with regard to horse chestnut outside Carlton Hall. They have no concerns about this tree at present but will monitor it on a regular basis.

There are two potential sites identified for the proposed Jubilee Tree, one being between the end of the three trees at the front of the Village Green and the ironwork 'flower'. The other is on the roadside approach to the village, on the right, just before the entrance to the village hall. Secretary to contact Highways to ensure that it would be possible to utilise this second site.

**Planning:** Application by Mr and Mrs Robson to remove condition allowing holiday use only for one of the two cottages they own on Back Lane. Agreed this application would be supported.

**Chairperson's Report:**

No report.

**Treasurer's Report:**

Balance £882.70 including £250 earmarked for Jubilee Tree.
